

Assumption College Maintenance Maintains with TOPPS®!

The Chapel of the Holy Spirit

The Brother O'Derrick building may be but one of 39 buildings on the beautiful wooded campus of Assumption College. However, as the maintenance facility, it is headquarters to the upkeep of this internationally renowned college in the Northeast.

Founded over 100 years ago in 1904, Assumption College originally started as an all men's Catholic college with just 10 students. Today's liberal arts campus spans 175 acres, with over 2,125 undergraduate young men and women studying a diverse curriculum of over 30 disciplines and operating with an annual budget of \$55 million.

Inspection & marking.

Fasteners sealed.

Critical areas sealed.

Leaks and rust had become a progressive problem when the Topps system was specified for the restoration phase. The project involved 3 men and 4 days start to finish.
